

ROGUE SHOWS HER CLASS IN R. Y. C. RACES

W. Peck Farley's Rogue captured two firsts yesterday over the new triangular course of the Rochester Yacht Club, winning the initial race for the Strong-Cup and repeating in the afternoon. Pritchard Strong's M. E. S. finished second in the morning race, with William P. Barrow's new Safara third. In the afternoon event, arranged to give the boats their first taste of windward work, the Safara finished second, with the M. E. S. third.

The handling of the Rogue in both events was impressive and the craft easily demonstrated her superiority over the rest of the "R" boats.
