

• INSPECTION FORM AND CREW LIST — This side to be completed by Inspector

EQUIPMENT REQUIREMENTS:					
Each yacht shall carry complete cruising equipment including the following:					
☐ Lake Ontario Charts 2, 21 or Canadian equivalents; ☐ Log book and navigation					
equipment; Adequate manual bilge pump; Compass that is accurate;					
Proper fire extinguisher—in compliance with regulations of respective govern-					
ment; 🗌 6 day and 6 night flares and/or 12 railway type flares in properly					
protected waterproof wrapping; \square Lead and lead line; \square Two anchors and lines;					
☐ 1 Jacket type life preserver (approved type) for each crew member with light					
and whistle attached; Suitable fog horn; First aid kit and instruction book;					
☐ One life ring with automatic flare and dye marker attached; ☐ Minimum of 3					
good flashlights, one with 3"lens for signalling; 🗌 1 eleven quart rigid pail for					
boats up to 40 ft. 2 such pails for boats over 40 ft.; Suitable reefing gear					
and/or storm canvas; 🗌 Flag float (ballasted float with pole and flag); 🗌 Radar					
reflector; \square Rigging cutters; \square Adequate life lines and stanchions; \square Secured					
hatches and skylights and shutters for large doghouse windows; \square Permanently					
installed engine, with shaft and propeller, with sufficient fuel to operate for 5					
hours; An approved life raft or dinghy equipped with flotation tanks and life					
lines, to support the entire crew; Regulation lights.					
EQUIPMENT RECOMMENDED:					
The following items will be inspected for but are not a requirement of the 1965					
Rochester Race. The Rochester Race Committee feel strongly that they should be					
carried and are considering the adoption of some or all of the following in					
future years.					
Life Raft (Dinghys if carried would not suffice)					
☐ Very pistol with smoke and parachute flares					
☐ 2nd Compass. ☐ Safety belts for each member of the crew					
Properly operating Radio Telephone					
Channels available					
No limitation on the use of radio telephones will be made in the 1965 Race.					
It is suggested that those with radios stand by on the half hour for five minutes.
