THE Lake Ontario American Fleet FLEET FOR THE MONTH OF March 19452

Signed Wm. G. Stett

Our Local fleet held its Spring meeting this past week. WE beat our way through a lot of choppy business the results of which had ought to make for a lot of smooth sailing for the coming season. The 50 Championship movies were shown and really enjoyed. Besides showing to the Star Fleet we are showing them to a church social club, a group of young men from the local Builder Exchange. From these connections who knows,—every where there are potential Star Skippers. We also have a promotion under way to show movies to the Chamber of Commerce T.N.T. Club, an organization of about 100 young business Executives. This group meets every two weeks and have their speakers lined up for about 3 meetings in advance so we will have to return the films and obtain them again for this program.

We have also adopted something new for this fleet. We have made a few of our races to require each skipper to take a long a third party. We know this is not a new idea to Star Boating and would appreciate and suggestions or results other fleets could furnish us.

Thanks a lot for the letter following my last report, as a Johnny-come-lately to this organization I am never ceasing to be astounded at the efficiency and spirit of the group.
