In this department of the Club appurtenances special effort has been made to render it in every way conducive to the comfort and convenience of the members. A competent superintendent has been engaged, who will reside in the house during the summer, and devote his entire time and energies to catering to the gastronomic needs of his patrons. A substantial and seasonable *menu* will be provided, and every facility afforded for obtaining any required *café* service, from an early breakfast for outgoing or incoming yachtsmen to an evening table d' hote dinner.

When dinner is required for several persons it would be *very desirable* to give due notice to the caterer in advance, as this would insure better and more prompt attention. A schedule of reasonable prices will be maintained so that members may feel assured of receiving adequate compensation for their

outlay. The house will at all times be kept clean and in good order, and it is especially designed to make it a cozy, homelike rendezvous for the families of members to spend an afternoon or evening by the lakeside.

The Cafe Committee, in conjunction with the other managing committees of the Club, desire to maintain such a standard as will insure the complete and legitimate enjoyment of all who desire to participate in the privileges of the house.

By giving timely notice to the steward, yacht owners may obtain lunches or provisions to carry on board when going out for sailing.

In carrying out the plans here outlined, we bespeak the cordial co-operation of all the members, and feel assured that such combined action will make our club house, which stands unrivalled for beauty of situation, a model for management and a place where membership will be at a premium.

ENTERTAINMENT

(Overheard at a meeting of the Committee.)

The Entertainment Committee of this season has met, planned, discussed and decided (after due deliberation) that a return to the old-time plans that were famous in bygone years as enjoyable occasions would be welcomed by the club members. It is therefore to be announced that the large, successful (?) Hops of late years are not to be, and in their place are scheduled two Ladies' Days on fixed dates, with the addition of a few other affairs of a quiet club nature FOR the members. These latter plans are up the Committee's sleeve until due time. (Any member, upon producing his Membership Card, would be apprised of the contents of the sleeve.)

The plans, however, for the Ladies' Days are to be as an open book. In the Genesis, the prospect for a *fleet* to give the ladies a *sail* on these

days is pretty good. It is said to be good because the committee have at their command certain facilities, as it were, with enough assurance of reliable parties to warrant arrangements to that end.

In the next book, there has been evolved from the fertile brains of these committeemen a *scheme* by which all who INTend to ATtend will be ASSURED OF A SAIL!!!

The rest is soon told. A supper at the club at very nominal price with music a la free. In the evening, general sociability, and in the main, a *club affair*.

Special preliminary notices may be expected.
