This agreement, made in the City of Rochester, N.Y. on the 16th day of December 1956 between the Rochester Yacht Club, with its office and club house located at Summerville, Rochester, N.Y. (hereinafter called the "Owner"), and Lloyd E. Davis, RD #3 Waterford Pike, Erie, Pennsylvania. (hereinafter called the "Contractor")

WITNESSETH:

Whereas, Owner and Contractor are desirous of entering into an agreement with respect to the construction of steel main dock and steel finger piers at the Yacht Club Basin at Summerville,

NOW, THEREFORE, IT IS MUTALLY AGREED AS FOLLOWS:

1. The owner will furnish and place steel pipe to support a main dock along the northwest side of the Yacht Basin. The dock to be seven feet wide, and two hundred seventy feet long. Supporting beams and stringer as shown in the attached sketch to be furnished by owner. Common labor to place material ready for welding to be furnished by owner.
2. The contractor agrees to furnish one-eighth inch thick floor plate, known as checker plate, formed as shown in sketch from sheets four feet by ten feet, and to do all welding and cutting necessary to construct the dock for the sum of two thousand dollars (\$2,000).
3. The owner will furnish and place steel piles to support finger piers.
4. The contractor agrees to furnish complete ready to set in place one finger pier seventy (70') long, two piers sixty feet (60') long, and two piers forty feet (40') long, and to provide the necessary fittings or attachments on main dock and piles to receive piers for the sum of One thousand ninety seven & 09/100 dollars. (\$1097.09)
5. Payment shall be made in full within thirty (30) days after completion of work.
6. The contractor shall do all work in harmony and cooperation with the owner.

IN WITNESS WHEREOF, The parties hereto have set their hands and seals.
