REMEMBER THAT the other half of this Form does not reach the Editor and that any items of more than routine character on Form C should be repeated on this Form also. Glance over the following to refresh your mind:

Results important races.	New boats building.	Humor.

Progress of eliminations.	Election of officers.	News of members.
News of challengers.	Meetings and local rules.	Suggestions.
Important schedules.	Entertainments.	Photos.

Note—If other racing forms or clippings are attached, mark each clearly "For Starlights" use.

THE ~~Lake Ontario (American)~~ FLEET FOR THE MONTH OF ~~February~~ 193~~8~~

Jim McConnell, who crewed for Earl Snyder on Valkyr II last year and who was the leader of an insurgent movement for crew recognition last September is said to be responsible for Valkyr Skipper Snyder's decision to put up a cup to be awarded to the winner of a series of races this summer, in which the jib tenders will do the skippering; one of the requirements being that the regular skippers do the crewing and take the necessary gaff that goes with it in all the races. It is rumored that Jim is now in the market for a boat of his own and may be sorry for his socialistic proclivities.

With regard to Pimm's rig: The flood of opposition, so natural toward anything new, is on the ebb and it is the opinion of your correspondent that there will be much tinkering with spar and boom between now and sailing time.
