Dear Jim:

Your Star Fleet will hold a meeting on Friday, February 21 at 6:30 o'clock at the Rochester Club. We are meeting for dinner, liquid and vocal refreshment, and the laying of our plans for the season of 1941.

This season is going to be a busy one. Beside the regattas, and the NYSYRA and the LYRA regattas, we shall have the 12th District at Rochester. A good deal of our enjoyment of the season will depend on the care and completeness of our planning.

Bill Nevin has been appointed chairman for the 12th District and will appoint his own committees. The following committees have been appointed by your chairman in accordance with your wishes:

Schedule Committee: Oscar Marth, chairman; Jim McConnell; and Jeff Dale

Committee on by-laws and constitution: Herb Marth, Chairman; Peck Farley; and Pete Tierney

We have under contemplation a race week in connection with the 12th District Regatta, and I suggest that you be thinking about this and be prepared for discussion along these lines.

President George Elder has recently called my attention to the necessity of every fleet increasing the number of their associate members to off-set the loss occasioned by the war in Europe. It is my opinion that we can serve the Class, our Fleet, and our own interests by increasing the number of potential boat owners.

See you Friday night.

Yours very truly,
